

CAREER OPPORTUNITY

DATE: September 2, 2011

POSITION: Loan Officer/Trainee-Loan Officer

LOCATION: Talladega Branch Office

SALARY: Commensurate with Experience and Qualifications

COMPANY PROFILE:

Alabama Farm Credit is an agricultural financial institution that provides financing for agriculture, agribusiness and rural real estate purchases and improvements. The institution is headquartered in Cullman with five offices that serve the northern twenty-seven (27) counties of Alabama. With approximately 420 million in assets, the institution is a cooperative and part of the nationwide Farm Credit System.

EDUCATION AND EXPERIENCE REQUIREMENTS:

Bachelor's degree in Business Administration, Finance, Agricultural Economics, or a related field, and up to two (2) years of experience in banking, credit, or other agricultural business related field. Excellent oral and written communication skills are a must. Should be proficient in Microsoft Office applications and have the ability to perform basic accounting/financial analyses under moderate supervision. The employee must exhibit a general knowledge of farming and ranching along with the understanding of rural living.

JOB SCOPE:

Responsible for developing new loan business in addition to servicing existing production agricultural and real estate customers. Establishes business relationships with local realtors, agricultural producers, rural land owners, and business leaders in the community and cultivates these relationships to expand lending opportunities. Promotes the association by maintaining good public and member relations and by representing the association at local community activities and meetings. Responsible for applying sound credit administration procedures in processing loan applications, analyzing records, evaluating collateral, setting loan terms and conditions, and in establishing overall loan workability. Makes and/or conveys decisions on loan approval, structure and pricing. Maintains awareness of agricultural trends and business activity, FCA regulations, and legal obligations. Reports to and assists Vice President/Branch Manager.

If you meet the minimum requirements and would like to be considered for this position, please send your resume and salary history to:
